

KIPP Baltimore Back to School Checklist

Click on the links below to print school health forms. All forms can be turned in to the Rales Health Center or the KIPP front office. Please call the health center at 410-396-7844 for more information or with any questions or concerns.

For ALL Students

- BLUE Student Health Form (must be completed each year to provide essential health information about your child for the school nurses).
- Review the GREEN school-wide screening form. Sign and return only if you do NOT want your child to participate in screening.
- Review Rales Health Center School Based Health Center information including the YELLOW form.
 - To enroll in the School Based Health Center: check YES on the coversheet, complete, sign, and return the YELLOW FORM.
 - If you do not wish to enroll in the School Based Health Center, check NO on the coversheet and return. You do not have to complete the yellow form if you do not wish to enroll.

For Students with Asthma

- Asthma Action Plan completed by your child's primary care provider or the RHC.
- Medication Administration Form for albuterol to be given as needed for trouble breathing, completed by your child's primary care provider or the RHC.
- Bring an albuterol inhaler and spacer to the Rales Health Center.

For Children with Food Allergies or Anaphylaxis

- Medication Administration Forms for diphenhydramine (Benadryl) and epinephrine auto-injector (Epipen) completed by your child's primary care provider or the RHC. *Forms should include a specific list of allergies and reactions.*

- Bring a bottle of diphenhydramine (Benadryl) and a twin-pack of your child's auto-injector (Epipen) to the Rales Health Center.

For Children Taking Any Medication at School

- Medication Administration Form for the medication completed by your child's primary care provider or the RHC.
- Bring the medication, in its original packaging, to the Rales Health Center.

For Children Requiring Skilled Nursing Services at School (example: G-tube feeds, catheterizations, insulin administration)

- Talk with the school nurses to discuss your child's needs and receive specific forms.
- Bring any supplies and information that may be required to the Rales Health Center.

Students enrolled in the Rales Health Center's School Based Health Center may have forms completed and medication delivery to school. Call the RHC at 410-396-7844 to schedule an appointment.
