KIPP:BALTIMORE

KIPP Baltimore/Rales Health Center (RHC) Back to School Checklist

Click on the links to print school health forms for your KIPPster. All forms can be turned in to the KIPP front office or faxed to us at (410)233-5893. Please call the health center at (410)291-2570 or (410)793-7263 for more information, or with any questions or concerns.

For ALL Students

❑ Fill out the ==BLUE== Student Health Form - must be completed each year to provide essential health information about your child to the school nurses.

❑ Review the RHC School Based Health Center information

    o To enroll your child in the School Based Health Center: complete and return the ==YELLOW== **and** ==PINK== forms.

For Students with Asthma

❑ Asthma Action Plan completed by your child's primary care provider or the RHC.

❑ Medication Administration Form for albuterol to be given as needed for trouble breathing, completed by your child's primary care provider or the RHC.

❑ If/when in-person learning begins, bring an albuterol inhaler and spacer to the RHC. Your child's inhaler must have a spacer. We cannot accept nebulizers.

For Children with Food Allergies or Anaphylaxis

❑ Medication Administration Forms for diphenhydramine (Benadryl) and epinephrine auto-injector (EpiPen/EpiPen Jr.) completed by your child's primary care provider or the RHC. *Forms should include a list of specific allergies and reactions.*

❑ If/when in-person learning begins, bring a twin-pack of your child's auto-injector to the RHC.

For Children Taking Any Medication at School

❑ Medication Administration Form for the medication completed by your child's primary care provider or the RHC.

❑ If/when in-person learning begins, bring the medication in its original packaging to the RHC.

For Children Requiring Skilled Nursing Services at School (example: G-tube feeds, blood sugar checks, catheterizations, insulin administration)

❑ Talk with the school nurses to discuss your child's needs and receive specific forms.

❑ If/when in-person learning begins, bring supplies and information to the RHC.
